### **Statement by Adis Ahmetovic, Member of the German Bundestag and Member of the Foreign Affairs Committee, on the Elections in Slovenia and France**

"Europe has won! Thanks to all friends in France and Slovenia for the election results, which are a clear commitment to the liberal-democratic idea and especially to the EU. Some autocrats in Europe will be lonelier as a result - this is important. Especially in a time of war, the EU will not be put to the test. We can now continue to work together on a strong Europe!"
